All change! I have now returned from my 12 month secondment with our Designing Out Crime Team. Apologies for the delay in getting this month's Newsletter out to you. While I have been away some restructuring has taken place and I will now be covering the North Norfolk and Great Yarmouth Districts. I would like to say a heartfelt thank you to Daisy Woodward-Smith who has been covering in my absence. Daisy has now taken up a new position as the Communications and Engagement Coordinator for the Norwich District.

As part of my role each month, I will now be producing 22 Community Updates which are shared across both districts to provide you with up to date contact details, a list of the current policing priorities, the date of your next Priority Setting Meeting, a snapshot of last month's crime and an update from your Beat Manager. If you have any questions or concerns please do not hesitate to contact either your Beat Manager or myself and please feel free to display and share these newsletters with anybody who may be interested.

### CURRENT NEIGHBOURHOOD PRIORITIES

- Speeding in the Sheringham Area and surrounding Parishes
- Parking issues around schools in the Sheringham Area and to assist with the Safer Schools Run Scheme
- Issues caused by vehicles using Waterbank Road, Sheringham

### WHAT'S HAPPENING IN YOUR AREA?

We have had a busy start to the year in the Sheringham area, officers have increased foot patrols as well as holding a number of digital engagement events to give members of the community covered by Sheringham Safer Neighbourhood Team an opportunity to speak directly to officers about any concerns or issues they have. Future digital engagement events will be advertised on the Constabulary's Facebook and Twitter sites.

Officers also carried out a number of warrants on addresses in Sheringham Town, this resulted in 3 people being arrested and a significant amount of Cannabis being seized. The equipment used to cultivate the cannabis was also dismantled and seized as part of the offence.

Our Safer Neighbourhood Team Priority Setting Meeting was held on Thursday 17th February and our new priorities can be seen below.

And finally, is there an area of your town or village that feels unsafe? If so you can report it here > [www.police.uk/pu/notices/streetsafe](http://www.police.uk/pu/notices/streetsafe). This initiative will help us to ensure that our time patrolling is spent in the areas where it will have the greatest impact for local residents.
