

## Using Beeston Regis Footpath Maps

If you click on a red line on the map it will become highlighted and more detailed information about the footpath will appear on top of the left-hand column.

If you click on a footpath in the left-hand column then it will be highlighted on the map itself and fill the entire map screen.

To obtain a fuller description of what is meant by Footpaths, Byways and Restricted Byways then click on the small down arrow at the top of the left-hand column.
